Our staff will be on hand to explain the activity that customers will be able to try during their stay, and the method of reservation to payment if they ask for it.

It is also possible, if agreed with the instructor present at the pool, to book from one to as many lessons as you wish with an immediate quote.

Our area referent will always be at your complete disposition for any necessity or problem and will periodically come by to check the progress of the activities.

Swimonholiday is ready to offer you an unforgettable holiday!
